# IN MEMORIAM

CHARLES BURTON FRENCH

The Town of Sandown dedicates this Town Report to a man who gave many years of service to this Town; his wise counsel will be sorely missed.

His courage and his faith were inspiring to everyone who had the good fortune to come in contact with him.

In grateful tribute to a Friend of many years, we respectfully dedicate this Report to the memory of "Bert" French.

## LIBRARIAN'S REPORT

1973 has been a busy and exciting year.

Visitors	1,598
Adult books circulated	1,693
Children's books circulated	2,050
Records borrowed	186
Puzzles borrowed	72
Total items circulated	3,541
Special requests from N. H. State	
Library	122
State films used	23
New cards issued	68
Volumes added	72
Volumes discarded	12

The total circulation for '73 exceeded that of '72 by 1,599!

Film Festivals have been a success with an average attendance of 36. Many thanks again to Mr. Cameron.

Mrs. Ruth Harju developed our Summer Reading Program into an exciting, fun-filled activity group. Each week, the 53 participants experienced and created different projects and activities relating to various subjects that they read about between meetings. Friends of the Library, young and old, helped to make this a rewarding experience for the variously-aged participants.

The Friends of the Library, under the leadership of Mrs. Catherine Blanco, had a busy year with raffles and coffee hours to benefit the Library Building Fund. Friends of the Library have co-operated with and made possible every special project attempted this year.

The State Library plays a large part in helping the Library serve community needs. We borrow approximately 1,200 books from the Bookmobile yearly. 122 special requests were filled from the State Library this year on subjects that we are too small to specialize in, and their fine film library has supplied us with many interesting hours. Consultants have aided us in purchasing and weeding books, and advised us on library needs, both personally and through special meetings. The State Library helps keep many small libraries, state-wide, able to contribute to community life.

Trustees Eleanor Bassett, Hazel Rogan and Edith Love have given invaluable guidance and time in program planning, book purchasing and general running of the library. Their work tends to go unnoticed but, in reality, is the backbone of the operation.

Our goals of stimulating and fulfilling interest among our readers can only be met under improved conditions. The space problem is acute. We lack storage space, work space, browsing space, book space and exhibit space. I hope you will consider a new library seriously this year. It would be a good investment.

This has been a good year for me. I have met and enjoyed so very many people, and people have been tremendously helpful to me in my capacity as librarian.

Librarian

## FIRE DEPARTMENT REPORT

The fire loss for 1973 was increased by the loss of an unoccupied summer residence; the fire had about consumed the building before it was reported to the Fire Department.

A mobile home was about one-third damaged by fire; the rest of the home was damaged by heat and smoke; no loss of life resulted from this fire.

There was one minor fire due to an over-heated fireplace; minimal damage was done by the fire.

Sixteen men completed 30 hours of Fire Fighting Tactics. This course was conducted by the New Hampshire Fire Training Service, Division of Vocational-Technical Education, and is part of upgrading through training.

A 1965 3/4-ton Ford Van was purchased for Emergency Medical Service and Emergency Medical equipment was also purchased. Due to manpower problems, the vehicle is not completed for service, but we anticipate having it completed in the near future.

A two-way radio was purchased with funds from the sale of the 1939 Ford truck, which was sold by sealed bid to Edward Mahoney of E. Boston, Mass., for \$306.85.

The Fire Insurance Underwriters of New Hampshire have increased the premium discount mileage from 2 road-miles to 3 road-miles; this mileage is measured from the nearest recognized town firehouse. Both firehouses in Sandown are recognized, and this added mileage should decrease some residents' fire insurance premiums.

I would like to remind the residents that, while we are in an energy pinch, extreme care must be exercised in the handling and storage of liquid fuels as these are potentially dangerous when misused, handled or stored; 1 gallon of gasoline has the force of 12 sticks of dynamite when vaporized.

Anyone burning wood should have his chimney cleaned and inspected for condition of flue, by someone competent in this field, before using the chimney for heating efforts. This should be done on an annual basis thereafter; chimney fires are not to be taken lightly as many homes have been lost to chimney fires.

Listed below are calls answered by the Fire Department in 1973:

January	Kirk	Building
	Beaulieu	Mobile Home
	Wells Village	Smoke Odor
February	Holt's Point	Car
	Hampstead	Mutual Aid
April	Hahn	Flooded Cellar
	Flynn	Flooded Cellar
	Royal Place	Building
	Hampstead	Mutual Aid
July	Love	Tractor
August	Knight	Oil Burner
November	Chase Road	Car
December	Fremont	Mutual Aid

Again, I would like to express my personal "Thank you" to all who have made this a more responsive and working department.

Respectfully submitted,

GEORGE NEWTON  
Chief, Fire Department

# REPORT OF THE FOREST FIRE WARDEN & DISTRICT CHIEF

The New Hampshire Forest Fire Service is represented in every town, city or unorganized place in our state by the forest fire warden. Anyone wishing to kindle an outside fire when the ground is not covered with snow must first obtain the written permission of the fire warden. Except for cooking fires, no fire can be kindled between 9:00 A.M. and 5:00 P.M. unless it is a commercial or industrial burn or it is raining. The fire warden is assisted in his work by the District Forest Fire Chief who works for the Department of Resources and Economic Development Forest Fire Service.

Fire prevention was, again this year, the most important part of the Forest Fire Warden's job. Fire statistics show the need with 72% of the fires caused by smoking, debris burning and children. Smokey the Bear is an important prevention tool but he still needs much help from the public. Parents should warn their children of the hazards of playing with matches. Children tend to forget that a lighted match held in their hand is a potential forest fire.

The Police Department has had a difficult year in comparison with past years; the report will confirm this. As a "part time" department, coverage is at a minimum, follow-up of complaints is even less.

Performance of the officers has been good under conditions in which they have to work.

Cooperation from the residents of Sandown has again been helpful.

Assistance provided by the Rockingham Sheriff's Department and New Hampshire State Police has been appreciated. Special attention to Deputy Sheriff Robert Farrar for his invaluable knowledge and assistance when called upon, more often on his "Off Duty Time".

## HISTORICAL ASSOCIATION REPORT

The year 1974 marks the 200th anniversary of the completion of the Old Colonial Meeting House in Sandown, New Hampshire. Construction of this fine old edifice was commenced in the year 1773 and the building was completed in 1774. It is an outstanding example of the excellence in craftsmanship found at that early date in our history.

Each year, on Old Home Day in August, this building is opened to the public and a special Old Home Day service takes place in it as part of the day's celebration.

This year - 1974 - we are planning a special two-day celebration to honor its 200th birthday. This celebration is to take place on Saturday and Sunday, August 10 and 11.

Saturday, August 10, is to be a festive day with a parade, band concert and booths. Games and sports for the children and adults will be featured. Booths will be rented at a nominal cost to those having something of interest to display or sell.

Sunday, August 11, there will be a religious service in the morning and a patriotic and historical program in the afternoon. Each of these programs will feature an outstanding speaker.

It is hoped that the residents of Sandown will get behind us in our efforts and help to make this a day to be long remembered.

Anything that the townspeople can contribute to making this occasion a success will be gratefully appreciated.
